The details for the period between July 2017 to March 2018 are to be provided in this statement for the financial year 2017-18. The reconciliation statement is to be filed for every GSTIN separately.
- 3. The reference to current financial year in this statement is the financial year for which the reconciliation statement is being filed for.

4. Part II consists of reconciliation of the annual turnover declared in the audited Annual Financial Statement with the turnover as declared in the Annual Return furnished in **FORM GSTR-9**for this GSTIN. The instructions to fill this part are as follows:-

Table No.	Instructions
5A	The turnover as per the audited Annual Financial Statement shall be declared here. There may be cases where multiple GSTINs (Statewise) registrations exist on the same PAN. This is common for persons / entities with presence over multiple States. Such persons / entities, will have to internally derive their GSTIN wise turnover and declare the same here. This shall include export turnover (if any). It may be noted that reference to audited Annual Financial Statement includes reference to books of accounts in case of persons / entities having presence over multiple States.
5B	Unbilled revenue which was recorded in the books of accounts on the basis of accrual system of accounting in the last financial year and was carried forward to the current financial year shall be declared here. In other words, when GST is payable during the financial year on such revenue (which was recognized earlier), the value of such revenue shall be declared here. Therefore, the turnover for which GST was paid under the composition scheme shall be declared here.
5M	There may be cases where the taxable value and the invoice value differ due to valuation principles under section 15 of the APGST Act, 2017 and rules thereunder. Therefore, any difference between the turnover reported in the Annual Return (GSTR 9) and turnover
